

Grace Tang

Formulation Chemist Intern

PROFILE

I hold a Bachelor of Science degree in Chemistry. I am passionate in cosmetic chemistry and the development of other FMCGs. I am currently in an internship with AXD Pty Ltd to gain more experience as a cosmetic chemist.

EXPERIENCE

Formulation Chemist Assistant, AXD Pty Ltd; Coburg, Victoria — June 2022 — Present

Creating products according to formulation. Packaging and labelling product samples. Conducting weekly routine stability testing on product samples. Data entry for new raw materials.

Co-Dean, Awesome Foundation Melbourne; Melbourne, Victoria — March 2022 — Present

Volunteering as Co-Dean of the Melbourne chapter of the Awesome Foundation, a microphilanthropy group that awards \$1000 grants each month to a worthy project.

I organise the monthly meetings and curate the grant applications to discuss with the board members of the Awesome Foundation. I also handle publishing the winners on the Awesome Foundation website and the social media.

Science Representative, Women in STEM at Swinburne; Hawthorn, Victoria — 2019—2021

Ran a Science Panel Discussion online on behalf of the club as event manager. Ran a Science Industry Webinar to showcase different faces and roles of women in STEMM field after graduating from a university degree. Created content to post on social media to promote mentioned events.

Marketing Director, Malaysians in Swinburne Association; Hawthorn, Victoria — 2019—2020

Led marketing team of 5 in club to promote marketing materials. Created online material for promoting student club events and sponsorship advertisements. Managed club social media accounts and communications with club members.

Service Crew, Blue Reef Fish & Chips; Penang (Malaysia) — 2018—2019

Service staff in charge of communicating with customers, serving food and handling point-of-sales system. Developed hospitality skills in family dining style restaurant.

EDUCATION

Swinburne University of Technology, Hawthorn, Victoria — Bachelor of Science (Chemistry), 2022

SKILLS

Fluent in spoken English, Mandarin, conversational Cantonese and Malay; fluent in written English and Chinese. Obtained overall band score of 8.0 in IELTS test - General Training.
